A night of sparkling patterns unfolded as Monroe presented "The Eighth Wonder of the World" on November 13th. Kim Chamberlin, as alumni secretary, planned and organized the evening, with able help from Mary Berardino, Pam Ford, and Neil Weiller. Bob Spear, former student body president, returned as guest speaker and announced that Kristi Blumberg was queen. In her court, seen at left, were Kathy Kraft, tenth grade princess, Arlene Jue, second princess, Bev LaCrue, first princess, and Georgia Gates, eleventh grade princess. Following the coronation, the evening continued with the varsity football game against the Poly Parrots. With the final successful score, the colors faded and Homecoming came to an end.

Mr. Lawrence Foster, Boys' Vice Principal

The images of principals and vice principals are distinctly patterned in our minds. Contrary to belief, there has been a significant change on campus: a liberalization of policy, and dress codes, and a genuine willingness to communicate with students. Standards have changed in the past year. These are the people who, in the end, have made this so.

amourians, 1971

Ellen Dambros, President

Marcia Tuggey, Vice-President

The Amourians of Summer 1971, having to merge their original students with those affected by the annual promotion, had the task of unifying their 1300 members. The class name, Amourians, signifies "the lovers" while the dove represents man's dream for peace. These Fall and Spring Officers with the help of Class Council consistently contributed to the unification of the Amourian Class.

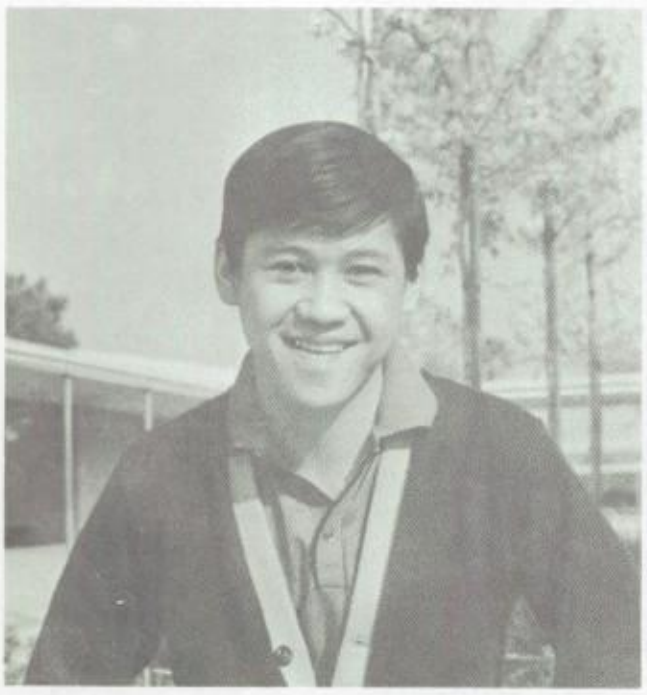
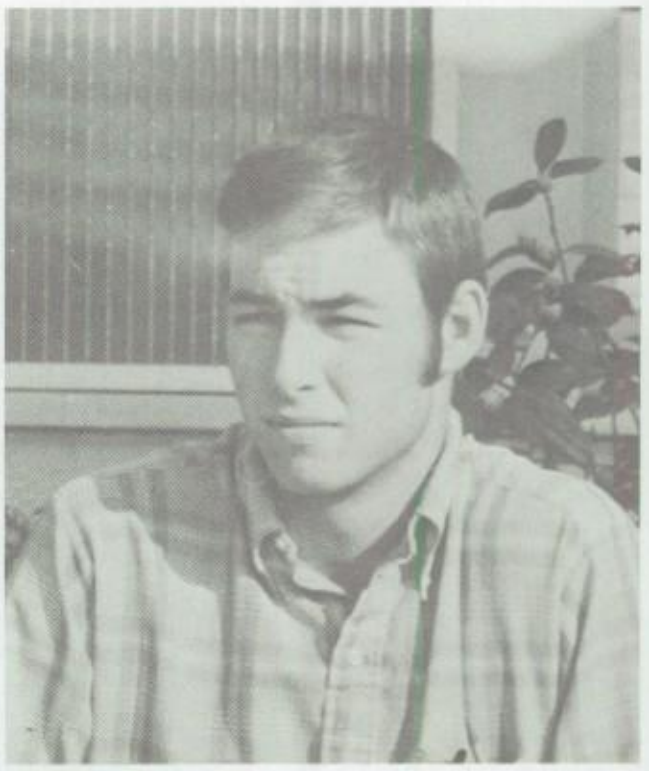
very important seniors

Chanthavi Saygnachith, known as "Vee" by his American friends, represented Pakpassak Technical School in Vientane, Laos, as Monroe's foreign exchange student for the Fall '70 semester. The Spring semester was also honored by foreign exchange student Luis Fermandois from Saint Joseph High School in Antotagasta, Chile.





Evaluated by their academic achievement and leadership qualities, Rick Frankhuizen, Beth Berke, Amy Walton, Nick Trierweiler, Dale Roche, and Bob Robinson, were among the finalists in the 1970-71 National Merit Scholarship Competition. Boys' and Girls' State is a work and study program set up for high school students by the American Legion Auxiliary. This year's representatives, seen at right, are Jeff Dale, Mike Dubrow, and Ellen Dambros.

Jennifer Robinson designed the Amourian emblem which was used for the class sweaters; it incorporates the class name, its colors, and its symbol. **At right,** Sherrie Simmons is measured for her graduation cap and gown. And that is how we dressed!

Aside from providing spirit at senior activities, the Amourian class cheerleaders and songleaders also cheered at a variety of school activities such as football, cross country, basketball, swim meets, and homecoming. Their combined efforts promoted spirit throughout the class and leadership for the school.

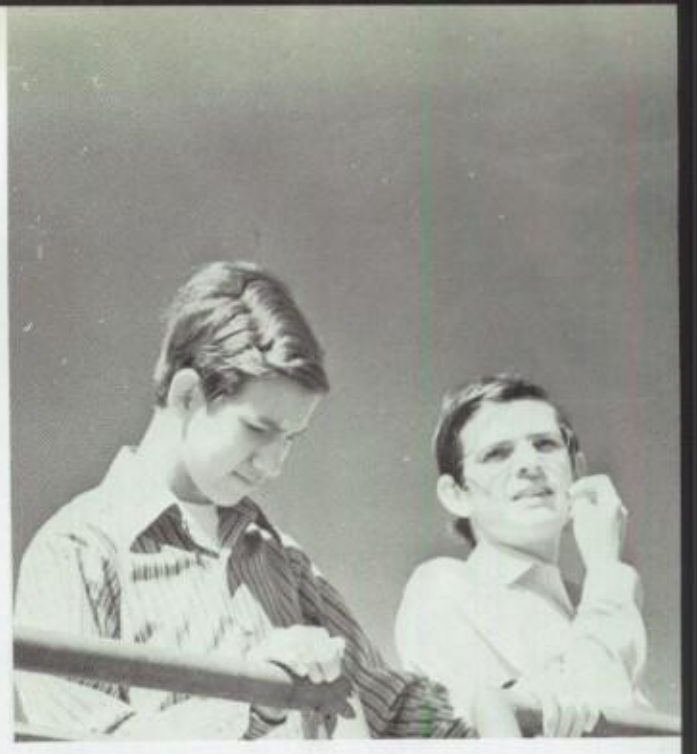
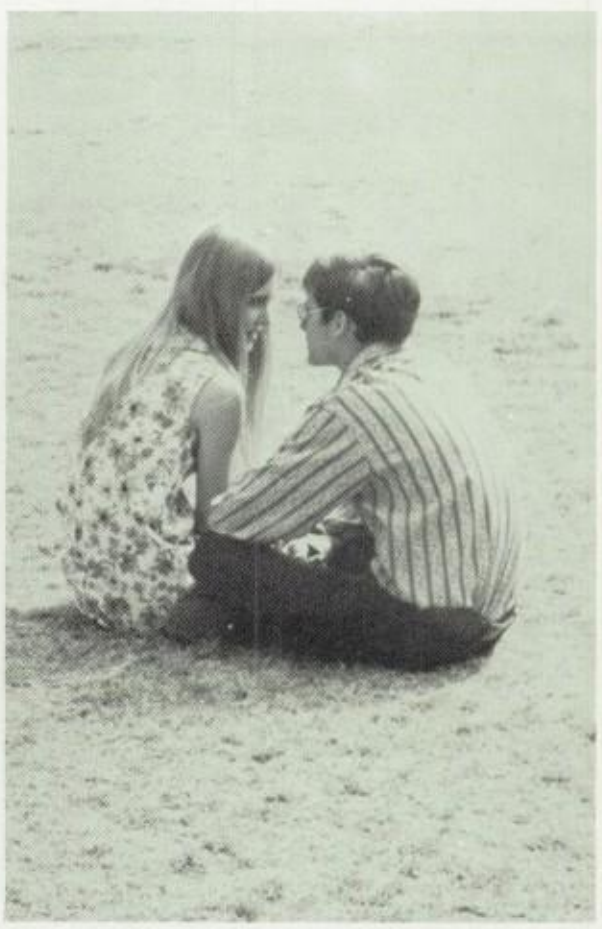
The tenth grade demonstration float was the first activity the class did together. The theme was "a world without pollution."





Fragmentary moods brought into focus remind us of the year's patterns.

This year's Varsity team had the potential to become a city power. At one time it was rated the fourth best team in the city. It was a misfortune that they were in the city's toughest league. Our team's only two losses were to San Fernando and Granada Hills, both of which played off for City Champion. It could still be considered a successful season; our team was well represented on the All-League team. Offensive standouts were quarterbacks Lorin Farr, Guy Benjamin and mini-backs Mitch Drootin and Joe Mays. Other contributing players were Steve Jenkins, Skip Willis, Steve Callas, and Jack Demay. All aided to produce one of the better running teams in the Valley. The defense was tough and had many "hard hitters." Standouts were lineman Zane Sand and linebackers Craig Hill and Dennis Shaw. The defensive backs, which takes a versatile athlete, were Jim Sharp, John Peterson, Vance Ventresca, and Rocky Burnett.

This year's Varsity team had six players selected to the All-League Team. The two standout defensive performers were linebacker Dennis Shaw and defensive back Skip Willis. Linemen Rich Wright, Dave Frey, and Jack Demay were on the offensive team along with Joe Mays. Skip Willis and Rich Wright were also selected to the All-Valley Team at their respective positions. Rich Wright was the only team member to be selected to an All-City Team. He was the center on the second team.

emendous defense, the running of Kirk Miller, and another Mid-Valley League championship characterized the 1970 Bee football season. Miller ran through enemy defenses as if they weren't there. Scoring 14 touchdowns and 18 extra points, he left no doubt as to who was the Mid-Valley League player of the year. However, the accomplishments of Miller were not all that made the Bee's co-champions with Birmingham. The entire defensive unit was tremendous; they allowed a meager 27 points in five league games. Always tough under pressure and on their opponents, the Bee's went to Birmingham. With both teams 2-0 in league play, it looked like a "do-or-die" contest for the Vikes. Monroe was triumphant over Birmingham, but unfortunately lost to Van Nuys. The Bee's 6-2 season and third straight Mid-Valley League championship helped make the 1970 season one that Monroe fans will never forget.

cross country

This year's cross country teams finished no less than second in the league which placed them among the top positions in city. The Varsity team, with captains Bob Bastian and Terry Torrance, placed second in league. Meanwhile, the Junlor Varsity spikesters, captained by Jeff Murdock and Andrew Binsley, came close to winning the City Championship by placing a close second. John Dambros and Jeff Murdock won trophies for their fine time of 10:54, receiving sixth and seventh places respectively. Tenth grade captains, Scott Kellogg, Jerry Gomez, and Chuck Ball, led their team to the victorious title of Mid-Valley League Champions. They then went on to place eighth in city finals. This year's teams continued to add to the fine quality of cross country runners in the past. Coach Balzarett's men are always among the top in the city.

The basetball team fared well this season, placing third in league. Plagued by injuries early in the year, the team played well when it was healthy. In the game against San Fernando, Coach Rankin gave the undefeated champs their toughest battle, losing 86-81 in the final minute. The club was led by first team All-League guard, Mike Twyford, who averaged 19 points per game. Mike was also honored as being the number one athlete for Monroe during the fall semester. Mike Twyford's complement was high scoring guard, Larry Patrick, who averaged 15 points per game. Other stand-out performers included Jady Copeland at forward and Ron Hammer at center.

track

The Varsity team this year promises to be one of, if not **the** top track team in Monroe's history. Almost every event features one of the top performers in the city. The sprinters are the strong point. The 440 relay with Skip Willis, Steve Bergman, Guy Groves, and Tony Edwards is destined to break the school record of 43.9 seconds and possibly win the city title. These four also lead frequent sweeps of first, second and third places in the 100 and 220 yard dashes. Terry Torrance, who was in the city finals last year, has already broken two minutes and will go to city again this year. Tim Quinn, with 13.6 feet in the pole vault, has the top mark to date in the city. Other top performers are Bob Bastian in the mile, Dave Zenk in the hurdles, and Jack DeMay in the shot put.

The gymnastics team started out the year, as always, winning! Unlike Monroe's other teams, the squad practiced throughout both semesters. They began the season with the annual exhibition. Then our team ran away with the Van Nuys invitational meet, and was rated Number One. Fifteen trophies were won, and Coach Sasvery was named as the best coach. The '71 team is led by defending city champion, Brad Horowitz, on the parallel bars, Kurt Zimmerman on the side horse, Gary Morgan on the rings, and Greg Casian on the floor exercise.

tennis

Tennis requires quick reactions and fast feet to get in position to return the ball. The mental phase is also a key factor. With many returning players, the squad is very solid. Valuable players include Ken Kolar, Carroll Cantella, and Howard Branner.

This is the year. For thirteen years Birmingham has won the league and city title. This year it could very likely be Monroe taking over. After three meets two school records have fallen, one by Mike Staley, and one by Jim Bollman in the 100 freestyle. Every event is packed with fine swimmers. The relay team of Brent Hunter, Todd Lavine, Rodgers Speer and Paul Neal, is one of the best in the city. Other fine performers include Gary Netzley, and diver Mark Schwartz.

Finian's Rainbow

The Creativity and hard work of Stage Crew, Stage Design, and the multitudes in Play Production created theatre in Odin's Hall. The bewitching "Bell, Book and Candle," near Halloween, was followed by invitationals based on children's literature. With the memorable "Muzeeka," the busy period before Christmas was concluded. After the holidays and the earthquake, the crazy crew of "Thurber Carnival" performed. In March "Finian's Rainbow," a total Performing Arts production, made magic; in June "Tiger at the Gates" made history. It was a very good year.

doctrine

This Spring the Doctrine, our school paper, displayed great originality by changing its format. It is now distributed every other day, thus giving the student body more current news; in the past the Doctrine was distributed weekly. Monroe has been the first Los Angeles city school to use this procedure. This has proven to be a successful experiment, because everyone is entitled to the paper, the news is spread throughout the school rather than restricted to the selected few who buy actiivty cards.

The Media Center, which dealt with audio-visual production, changed hands and concepts during the year.

fall student council

The fall semester of Student Council was marked by progressive legislation. Through the establishment of voter registration in homeroom, 3600 students were able to vote in Student Body Elections. This was an increase of 1000 over previous years.

Student Council also cleared the way for an All-Grade Privilege Card. This card allows any qualified student to leave campus during lunch. Throughout the semester, Mr. Mel Smith, the new Student Council Sponsor supported the efforts of Student Council to improve the school. A new precedent was established as students became more aware of current problems and took positive action to correct those problems.

Fall Boys' League

boys' league

Boys' League, led by Mark Suzumoto and Gary Netzley, is sponsored by Mr. Hightower. The league is a service club representing all of the boys of the student body. Among other things, it sponsored a car show on April 30 which was a part of Boys' Week. During that week all of Monroe's males had an opportunity to participate in business and community affairs.

girls' league

Girls' League, headed by presidents Amy Nishioka and Debby McClean, had as its advisor Mrs. Donna Baylor. Their activities included a Girls' Week that featured a sucker sale, a welfare project that involved visiting a convalescent home, a Hush Day, and a volleyball game between the girls and the faculty. Girls' Week was also highlighted by a fashion show, coordinated and modeled by the girls themselves.

Always cheerful Knights' sponsor, Mr. Kindseth.

knights and ladies

Knights and Ladies are the senior honor service organizations of Monroe. This semester these groups gave service to Monroe and to the community in many ways. They aided the Counselors at registration, ushered at assemblies, helped the textbook room and other offices, and had welfare projects for local hospitals. The Ladies gave brunches for the faculty and sponsored the Candy-Grams. The Knights were given the Practical Joker Gag Award at the Senior Breakfast. The Knights and Ladies also had many social events such as parties, picnics, kidnap breakfasts, banquets and overnights to Crestline in the winter, and to San Clemente in the spring.

Crestline was the scene for the winter overnight.

At Monroe, students interested in the field of medicine are fortunate in being able to test their interests, while also being able to develop their skills on the job. This experience has proven profitable to the students who otherwise would not be allowed to gain such valuable knowledge in their chosen field.

rap room

The Rap Room, an innovation in the city school system begun at Monroe is headed by Irv Lane and Janell Munn. Graduate students from Valley State, a law student, and two probation officers came to help our students with their problems. The decor, as well as the name was student inspired. Very important in the planning and construction were Morrissa Holzman and Tim Murphy. Much success was seen, the school board officially recognized this as a pilot program, and now other schools are opening rooms of their own. Although the room is often full, Mr. Lane, the counselors, and the student assistants wish they could reach out to even more people.

interest clubs

Several of the interest clubs of Monroe have contributed service and gained recognition for our school. Monroe's Speakers' Association, with the guidance of Mr. Summerfield, has done well in competitions this past year. Filmmakers, currently directed by Mrs. Hecht, learns by doing. We eagerly await their artistic creations.
